

# Join us on a digital scavenger hunt!

## Can you find the answers to the following questions?

1. How many books does our library have written by Roger Hargreaves?

2. Look up a book you have read or you are interested in reading. What is the title? Who is the author? How many pages are there in the book?

3. Find a collection of comics and count how many issues are in the series.

4. Find a DVD with the barcode 018481. What is this video about? Who is the main actor? Who is the publisher?

5. Find a book that you want to read this summer.

6. Why did you choose this book?

7. Find a book that you have read more than once.

8. Find a book about the environment, sports, or science

9. Find a book in another language. What is the language of the book?

10. Find a book that might make you laugh!
